Day Trips What to Bring and What to Wear

Please contact our office at 907.235.1805 after 6:00pm the evening before your trip to confirm your departure time. We will be departing from the Beluga Air float plane dock, located at 3409 Lampert Loop on Beluga Lake in Homer.

Prior to departure each person will need to sign a Participant Agreement.

What to Bring

- Lunch or snacks - please avoid bringing tuna, salmon or any other fish.
- Water - enough to last the day
- Small day-pack - large enough to carry your equipment & lunch
- Binoculars
- Camera with extra batteries, memory cards or film.
- Insect repellent - not usually a problem in our area, but there are some
- Sun screen
- Medications - any that you regularly take, bring enough for two days.

What to Wear - a layered approach to clothing works best. We prefer that you do not wear any bright colors.

- Jacket - fleece is great, it is light, warm, dries quickly if wet and can be worn under your rain jacket. Recommended weight, Polartec 200 or equivalent.
- Light weight rain gear – with both a jacket and pants.
- Gloves - a light weight pair or a of pair synthetic glove liners
- Hat or baseball cap

If you have any questions please contact us at: 907.235.1805
